Video recording rules

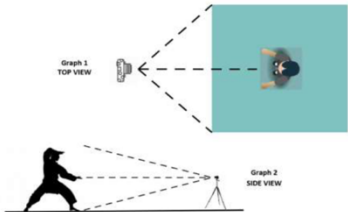

It can be recorded with any type of camera or device, but the recommended resolution is 1080p (Full HD), and the minimum resolution is 720p (HD) IN MP4FORMAT, **size less than 100 MB**

The video must be recorded without cuts, without editing and without music.

Only the athlete should appear in the video, **(without a coach)**

FEDERACIÓN MEXICANA DE KARATE Y ARTES MARCIALES AFINES A.C.

	<p>They must record a video by category, with the folio provided for it, that is, if the athlete wishes to participate in two different categories, example: (junior and senior, KATA); (U21 and senior KATA); (U21 and senior KUMITE), different videos must be recorded for each of them, with the folio provided for each of the categories..</p> <p>If the video recording is with con mobile device or tablet you should go horizontally in MP4 format</p> <p>Each file must be named as follows (<i>How I will save my video</i>):</p> <p style="padding-left: 40px;">Modality-Category-Belt-gender-name (first and last of the athlete)-abbreviation of the state-abbreviation of the country</p> <p>Example:</p> <p style="padding-left: 40px;">Kata-Senior-Black-Fem-CintheadelaRue-GTO-MEX</p> <p style="padding-left: 40px;">Kumite-Senior-Negra-Fem-GuadalupeQuintal-YUC-MEX</p>
<p>Where to record the Video:</p>	<p>They can record their video indoors and outdoors as long as they have enough space to perform their kata/kumite, following the health protocols established by authorities.</p> <p>Make in a quiet place with the right lighting conditions.</p>
<p>How to record the video:</p>	<p>KATA.- The camera will be placed in the center of the area where the athlete will do his Kata, or diagonally at 45 angle. At all times the athlete must be visible to 100% full body inside the screen.</p> <div style="text-align: center;">  </div> <p>KUMITE.- The camera will be placed on the right or left side of the competitor, located between the competitor and the target, at all times the athlete and the target must be visible to 100% full body inside the screen.</p>

FEDERACIÓN MEXICANA DE KARATE Y ARTES MARCIALES AFINES A.C.

Outdoors, make sure the camera is not against sunlight.

When locating the camera, make sure it is at an appropriate distance to record and the athlete is visible at all times of the **execution**.

- Do not place the camera on the floor, we recommend a minimum height of 80 cm. If you don't have a tripod, use a table or any other stable object.

You can ask for help for someone to record you whenever they focus on you, as long as the camera doesn't have too many vertical or sudden movements.

Process your recording

- Starts recording.
- Show the camera the folio that we will provide you by FEMEKA system, to verify that the day and time of recording is for this competition.

You can display it printed, or digitally from any device (Smartphone, tablet or screen) while it can be easily viewed. Only the athlete must say his or her name, his country with clear and strong voice, if it is the case to mention the name of the Kata to be recorded and the round to which he goes.

- **KATA.**- Execute the complete kata, includes all regulatory formalities and the usual protocols (greetings, announcements, etc.).
- **Kumite.** - Performs executions and combinations of techniques according to the category.
- Stop the recording.

If the video or recording does not meet the specified requirements, you will not be able to compete.
